

# Product Information:

Health Forever Fresh Chip - Application

## 1. Health Forever Fresh (Sticker) Chip Product Features Description

Health Forever Fresh (Sticker) Chip is produced using a technology called multi-layer paper processing by which anti-mold essential oil is absorbed to each layer of paper. Then anti-mold essential fragrance is released from the layers of paper in to the air to eradicate mold/bacteria. The main ingredients of the chips are : natural plants, grape seed, Chili ,Wasabi, etc. using the latest biotechnology to ferment ingredients without adding any chemical substances. The product is non-toxic to human body.

## 2.Reasons for choosing Health Forever Fresh (Sticker) Chip / Chip:

- \* Our product is made by natural ingredients without any toxic additive. It is guaranteed to be harmless to human body.
- \* Our product has powerful effect in killing bacteria and mold. It has been used by many food manufactures for food packaging.
- \* Our product extends food preservation time by effectively eradicating bacteria such as the most frequent E. coli.
- \* Our product is certified by ITS and SGS with laboratory test results of effectively kill and reducing the growth of E. coli, Pseudomonas aeruginosa, Staphylococcus aureus, etc.

## 3. Our product is certified by following organizations:

- \* US FDA standard
- \* 144 non-toxic product examinations in Europe Union SVHC standard.
- \* Food Utensils container packaging hygiene standards in Taiwan.
- \* 28/180 days anti-mold test result.

## 4.Recommended Number of Health Forever Fresh (Sticker) Chip / Chip per packaging:

The following data are for reference only. Please use PE and PP zip bags
